

St. Orres

Review Highlights - Over 50 acres of creek, meadows and redwoods give a sense of "profound calm" to this Mendocino County "treasure" resting above a cove three hours north of San Francisco; the "private" setting is complemented by "marvelous", Russian-inspired rustic architecture and "charming" accommodations - including main rooms with shared baths and "spacious" cabins; overall, it's a "must visit", especially when you factor in the "excellent" food.
